## **ANNOUNCEMENT TO ALL PARTIES CONDUCTING CLINICAL TRIALS AND THOSE PROVIDING PREVENTIVE CHEMOTHERAPY IN TANZANIA.**

Tanzania Food and Drugs Authority (TFDA) wishes to inform all Institution Ethics Committees, Investigators, Contract Research Organizations (CROs), trial applicants, Principal Investigators (PIs), Sponsors and people involved in provision of preventive chemotherapy that the draft “Guidance on the Conduct of Clinical Trials in Paediatric Population in Tanzania” and draft “Guidelines for Assuring Safety of Preventive Chemotherapy in Tanzania” have been developed by the TFDA in collaboration with stakeholders.

The draft guidelines have been posted at TFDA website: [www.tfda.or.tz](http://www.tfda.or.tz) for stakeholders’ comments. All parties involved in or conducting clinical trials in Tanzania and those providing preventive chemotherapy are requested to avail comments for improvement of the mentioned Guidelines.

Comments should be availed via TFDA e-mail, fax, by post or submitted physically to TFDA HQ Offices and should reach the Authority not later than 15<sup>th</sup> January, 2012.
